

# Mhd. Rizky Hernanda

Front End Developer | Graphic Desainer

## About Me

Hello, let me introduce myself, I am M.Rizky Hernanda, S.Kom, usually called Rizky. As a Fresh Graduate of S1 Informatics focusing on developing UI and UX of a website and also Graphic Design, the ability to combine aesthetic principles, user interaction, and technology to create digital interfaces that are intuitive, functional, and visually appealing, in this case creative and adaptive in facing the latest design trends is also very necessary as a UI/UX Developer.

## Education Level

Ubudiyah Indonesia University | Oct 2020 - Jun 2025

Bachelor of Informatics (GPA 3.47/4.00)

## Work Experience

### Jejak Rimba Raya

Staff

Web Developer | 2021 - Present

- Design and manage website interfaces to ensure user-friendliness and visual appeal, consistent with brand identity. Optimize user experience (UX) by improving navigation, access speed, and responsiveness across multiple devices.
- Regularly update content to maintain relevance and increase visitor engagement. Collaborate with creative and marketing teams to align design strategies with digital campaign needs.

Data Analyst | 2023 - 2025

- Analyze data to identify trends, patterns, and opportunities for strategy improvement.
- Prepare periodic analysis reports for management and related teams and produce weekly reports that are used directly for strategic decision making.

### Komisi Independen Pemilihan Aceh

Intership

Section Data and Information | May 2023 - Jul 2023

- Compile election data and statistics reports for internal and public purposes and Develop and maintain web based information systems for data distribution.

CV. Discover Nanggroe

Contract for each project

Layout Editing (Event Organizer) | Apr 2024 – Oct 2024

- Design and arrange the layout of the event stage and street vendor tents and adjust the design to the event theme concept to create a consistent visual identity.
- Prepare print files according to printing standards and ensure the final results meet expectations and collaborate with the production, decoration, and publication teams to support the smooth running of the event.

Organization Experience

PERMIKOMNAS RI (Perhimpunan Mhs Informatika dan Komputer Nasional RI)

Aceh Regional Coordinator | Jan 2024 – Jan 2025

- PERMIKOMNAS RI is a national student organization in the field of Informatics and Computer Science. It was officially established on 21 August 2002, during a meeting at PUSPIPTEK Serpong, South Tangerang.
- As the Aceh regional coordinator, I have the responsibility to develop innovation and creativity of students regarding digital content in Aceh. In Aceh itself, there are more than 13 student associations from both Informatics and Computer Engineering.

BEM NUSANTARA ACEH

Regional Secretary of Aceh | Jan 2023 – Des 2023

- BEMNUS is a national student alliance that fosters coordination, intellectual reflection, and collective action in higher education environments throughout Indonesia.
- As the Regional Secretary of Aceh, I compile, record, and archive all incoming and outgoing letters in the Aceh region and store important regional documents, including management decrees and regional deliberation results. I also serve as the official information liaison between the Aceh Regional/Regional Coordinator and the central management of BEM Nusantara.

Soft Skill

Graphic Desain	Photoshop	<div><div></div></div> 85%
	Premiere Pro	<div><div></div></div> 80%
	After Effect	<div><div></div></div> 75%
	Corel Draw	<div><div></div></div> 85%
Front End Dev.	HTML 5	<div><div></div></div> 90%
	CSS & SASS	<div><div></div></div> 80%
	Java Script	<div><div></div></div> 60%
	Figma	<div><div></div></div> 75%

Adaptive Skill

- \* Leadership
- \* Public Speaking
- \* Work Team
- \* Creative & Ideative
